

Milton Youth Volleyball Club – Home of Milton Edge is an incorporated non-profit, volunteer led organization, founded in 2015 to promote development and competitive volleyball opportunities for youth in the Milton, Ontario area. The Club's goal is to provide high level opportunities for qualified boys and girls to further develop, train and compete in the Ontario Volleyball Association while making it available and accessible to as many youth as possible.

The focused assistance of some dedicated sponsors will go a long way to help our Club maintain its success in the coming year, helping to fund Club team youth's training, facility rentals, and volleyball equipment.
